

Discover Dexcom G7

Quick start webinar
for diabetes health
care providers

Please join us this fall for the **Discover Dexcom G7** webinar series, where you'll **be among the first** to learn about **Dexcom G7**. Find out everything you need to know to talk to your patients about **our smallest and most accurate CGM¹** system in Canada.

Be ready for availability of G7 in Canada, later this year by attending this 30-minute presentation followed by a 15-minute Q&A.

Watch as we uncover the **advanced features that empower patients** to become more **engaged** in their diabetes management and make more **confident** diabetes decisions. Get **first-hand, clinical insights** from fellow clinicians. Ask your own questions from the comfort of your clinic or home during any of the following **virtual** events.

Registration is now open for the following sessions:
